In sports in which a team may no longer compete after a member has been disqualified, the remaining members may compete on an individual basis (Art. 14.13).

11.10 Technical Officials

11.10.1 Technical Officials include referees and judges and other sport-specific officials that are required for the smooth running of the sports competitions. There are International Technical Officials (ITOs) and National Technical Officials (NTOs) in accordance with the rules and regulations of each sport. In principle, ITOs are taking the senior-officiating positions. They are nominated by the ISFs or proposed by the NUSFs according to the technical regulations, and approved by the FISU CTI-UH. Otherwise, the nomination will be determined by FISU. The numbers and functions of ITOs vary according to the sport and are specified in FISU-ISF partnership agreements. NTOs are nominated by the NSFs in consultation with the OC and are taking a support role.

For those sports where nomination of ITOs will be determined by FISU CTI-UH, the countries must forward to FISU at the latest four (4) months before the opening ceremony of the Winter Universiade the name(s) and category of (ITOs) (1 effective + 1 non-travelling substitute). If the names are not received by this time, FISU CTI-UH shall have the right to arrange for substitute officials.

ITOs are not considered as members of the delegation and do not include ISF Technical Delegates, who are members of the FISU Family.

11.10.2 The costs of stay, travel from their home to the official points of entry designated for the Winter Universiade as well as the per diem for all ITOs are borne by the Organising Committee. For some of the sports in the WU programme, the OC is entitled to collect from the participating countries a fixed contribution fee in order to cover the ITOs' costs. The specific requirements and terms are set out in the technical regulations of each particular sport. The fixed contribution fee for ITO's costs per athlete/team participating in the concerned sport is indicated in the following table:

Sport	NUSF contribution fee
Figure skating	300 EUR/athlete
Ice hockey M	3000 EUR/team
Ice hockey W	3000 EUR/team
Short track speed skating	100 EUR/athlete
Ski jumping & Nordic combined	100 EUR/athlete
Speed skating	100 EUR/athlete

The costs calculation includes the travel expenses, per diem and participation fee. The participation fee is the same as for athletes and officials 40 EUR/day.

The amount will have to be paid by the Head of Delegation to the Organising Committee during the accreditation process upon arrival to the Winter Universiade for individual sports and for team sports will be deducted from the team deposit.

If the country does not pay the requested costs/expenses for the ITOs at the time of accreditation, the country will not receive any accreditation and will not be allowed to compete in the sport concerned.

11.10.3 Following the technical regulations of each particular sport, ITOs are entitled to receive a per diem in the amount defined in FISU-ISF partnership agreements, for their entire period of duty (including travel days).

Any financial dues to the ITOs must be paid by the Organising Committee at the latest two (2) days after their arrival to the Universiade. The payment must be done in cash or by bank transfer in EURO currency according to the procedure agreed between the OC and FISU.

The OC must ensure that all ITOs are properly informed about the process of payment well in advance before the start of the Winter Universiade.

- 11.10.4 The Organising Committee must invite the ITOs no later than three (3) months before the opening ceremony of the Winter Universiade. This includes administrative obligations such as visa application, flight arrangements and accommodation procurement.

The Organising Committee will be liable for all extra costs that may result from not fulfilling this obligation.

- 11.10.5 Unless otherwise stated by the FISU CTI-UH, all international technical officials (ITOs) are to arrive one (1) day prior to their first official meeting as agreed between FISU and the OC and depart one (1) day after the end of competition.

ITOs are to be accommodated in single rooms.

- 11.10.6 International Technical Officials (ITOs) confirmed for a FISU event who wish to withdraw must do so in writing to the Organising Committee, with copy to FISU and the concerned ISF. After flight tickets are purchased, ITOs are obliged to attend the event. No shows or last-minute withdrawals without significant reason (medical conditions, etc.) will be fully charged to the ITO by the Organising Committee and will be reported to the FISU and ISF for further action.

In assessing the <i>Athlete's</i> or other <i>Person's</i> degree of <i>Fault</i> , the circumstances considered must be specific and relevant to explain the <i>Athlete's</i> or other <i>Person's</i> departure from the expected standard of behaviour. Thus, for example, the fact that an <i>Athlete</i> would lose the opportunity to earn large sums of money during a period of <i>Ineligibility</i> , or the fact that the <i>Athlete</i> only has a short time left in his or her career, or the timing of the sporting calendar, would not be relevant factors to be considered in reducing the period of <i>Ineligibility</i> under Article 10.5.1 or 10.5.2 of the <i>Code</i> .

Provided, however, there shall be no anti-doping rule violation based solely on <i>Possession</i> if, prior to receiving notification of any kind that the person has committed an anti-doping rule violation, the <i>Person</i> has taken concrete action demonstrating that s/he never intended to have <i>Possession</i> and has renounced <i>Possession</i> by explicitly declaring it to an <i>Anti-Doping Organisation</i> . 14.1 GENERALITIES

- 14.1.1 Doping is defined as the occurrence of one or more of the anti-doping violations set forth in these Anti-Doping rules.
- 14.1.2 These Anti-Doping rules apply to the Winter Universiades under the control of FISU. All Athletes and each Athlete Support Personnel participating are subject to these Anti-Doping rules.
- 14.1.3 It is the personal responsibility of any Athlete subject to the provisions of the Code to ensure s/he does not Use or allow the Use of any Prohibited Substances or Methods and is not in Possession of any Prohibited Substance.
- 14.1.4 FISU strongly condemns the Use of Prohibited Substances or Prohibited Methods by Athletes on both ethical and health grounds. FISU is a WADA Signatory and all Athletes participating in a FISU Event are required to accept the WADA Code and abide by the Code.
- 14.1.5 Doping Control may include urine Samples, blood tests and other authorised techniques for detecting Prohibited Substances or Methods.
- 14.1.6 Team officials should ensure that Athletes under their control are warned in advance that they may be required to undertake Doping Control tests. Those test results are reported to WADA, the Athletes' NADO and appropriate NUSF, ISF or NSF.
- 14.1.7 Any Athlete who tries to avoid or refuses to take a doping test or who is found guilty of doping shall, in addition to the Consequences as described in the Code, be subjected to disciplinary actions.
- 14.1.8 For the interpretation of these Anti-Doping rules, the FISU International Medical Committee (CMI) is the sole authority. If there is a conflict between the English and French version, the English version will prevail.

14.2 ANTI-DOPING RULES VIOLATIONS

Athletes and other *Persons* shall be responsible for knowing what constitutes an anti-doping rule violation and the substances and methods which have been included on the *Prohibited List*.

The following constitute anti-doping rule violations:

14.2.1 Presence of a *Prohibited Substance* or its *Metabolites* or *Markers* in an *Athlete's Sample*

- 14.2.1.1 It is each Athlete's personal duty to ensure that no Prohibited Substance enters his or her body. Athletes are responsible for any Prohibited Substance or its Metabolites or Markers found to be present in their Samples. Accordingly, it is not necessary that intent, Fault, negligence or knowing Use on the Athlete's part

be demonstrated in order to establish an anti-doping rule violation under Article 14.2.1.

- 14.2.1.2 Sufficient proof of an anti-doping rule violation under Article 14.2.1 is established by any of the following: presence of a Prohibited Substance or its Metabolites or Markers in the Athlete's A Sample where the Athlete waives analysis of the B Sample and the B Sample is not analysed; or, where the Athlete's B Sample is analysed and the analysis of the Athlete's B Sample confirms the presence of the Prohibited Substance or its Metabolites or Markers found in the Athlete's A Sample; or, where the Athlete's B Sample is split into two bottles and the analysis of the second bottle confirms the presence of the Prohibited Substance or its Metabolites or Markers found in the first bottle.
- 14.2.1.3 Excepting those substances for which a quantitative threshold is specifically identified in the Prohibited List, the presence of any quantity of a Prohibited Substance or its Metabolites or Markers in an Athlete's Sample shall constitute an anti-doping rule violation.
- 14.2.1.4 As an exception to the general rule of Article 14.2.1, the Prohibited List or International Standards may establish special criteria for the evaluation of Prohibited Substances that can also be produced endogenously.

14.2.2 Use or Attempted Use by an Athlete of a Prohibited Substance or a Prohibited Method

- 14.2.2.1 It is each Athlete's personal duty to ensure that no Prohibited Substance enters his or her body and that no Prohibited Method is Used. Accordingly, it is not necessary that intent, Fault, negligence or knowing Use on the Athlete's part be demonstrated in order to establish an anti-doping rule violation for Use of a Prohibited Substance or a Prohibited Method.
- 14.2.2.2 The success or failure of the Use or Attempted Use of a Prohibited Substance or Prohibited Method is not material. It is sufficient that the Prohibited Substance or Prohibited Method was Used or Attempted to be Used for an anti-doping rule violation to be committed.

14.2.3 Evading, refusing or failing to submit to Sample collection

Evading *Sample* collection, or without compelling justification, refusing or failing to submit to *Sample* collection after notification as authorised in these Anti-Doping rules, or other applicable anti-doping rules.

14.2.4 Whereabouts Failures

Any combination of three missed tests and/or filing failures, as defined in the International Standard for Testing and Investigations, within a twelve-month period by an *Athlete* in a *Registered Testing Pool*.

14.2.5 Tampering or Attempted Tampering with any part of Doping Control

Conduct which subverts the *Doping Control* process but which would not otherwise be included in the definition of *Prohibited Methods*. *Tampering* shall include, without limitation, intentionally interfering or attempting to interfere with a *Doping Control* official, providing fraudulent information to an *Anti-Doping Organisation* or intimidating or attempting to intimidate a potential witness.

14.2.6 Possession of a Prohibited Substance or a Prohibited Method

14.2.6.1 Possession by an Athlete In-Competition of any Prohibited Method or any Prohibited Substance, or Possession by an Athlete Out-of-Competition of any Prohibited Method or any Prohibited Substance which is prohibited in Out-of-Competition Testing unless the Athlete establishes that the Possession is consistent with a Therapeutic Use Exemption (“TUE”) granted in accordance with Article 14.4 or other acceptable justification.

14.2.6.2 Possession by Athlete Support Person In-Competition of any Prohibited Method or any Prohibited Substance, or Possession by Athlete Support Personnel Out-of-Competition of any Prohibited Method or any Prohibited Substance which is prohibited Out-of-Competition, in connection with an Athlete, Competition or training, unless the Athlete Support Personnel establishes that the Possession is consistent with a TUE granted to an Athlete in accordance with Article 14.4 or other acceptable justification.

14.2.7 Trafficking or Attempted Trafficking in any Prohibited Substance or Prohibited Method

14.2.8 Administration or Attempted Administration to any Athlete In-Competition of any Prohibited Method or Prohibited Substance, or Administration or Attempted Administration to any Athlete Out-of-Competition of any Prohibited Method or any Prohibited Substance that is prohibited Out-of-Competition

14.2.9 Complicity

Assisting, encouraging, aiding, abetting, conspiring, covering up or any other type of intentional complicity involving an anti-doping rule violation, Attempted anti-doping rule violation or violation of Article 10.12.1 of the *Code* by another *Person*.

14.2.10 Prohibited Association

Association by an *Athlete* or other *Person* subject to the authority of an *Anti-Doping Organisation* in a professional or sport-related capacity with any *Athlete* Support Person who:

14.2.10.1 If subject to the authority of an Anti-Doping Organisation, is serving a period of Ineligibility; or

- 14.2.10.2 If not subject to the authority of an Anti-Doping Organisation, and where Ineligibility has not been addressed in a results management process pursuant to the Code, has been convicted or found in a criminal, disciplinary or professional proceeding to have engaged in conduct which would have constituted a violation of anti-doping rules if Code-compliant rules had been applicable to such Person. The disqualifying status of such Person shall be in force for the longer of six years from the criminal, professional or disciplinary decision or the duration of the criminal, disciplinary or professional sanction imposed; or
- 14.2.10.3 Is serving as a front or intermediary for an individual described in Article 14.2.10.1 or 14.2.10.2.

In order for this provision to apply, it is necessary that the *Athlete* or other *Person* has previously been advised in writing by an *Anti-Doping Organisation* with jurisdiction over the *Athlete* or other *Person*, or by *WADA*, of the *Athlete Support Person's* disqualifying status and the potential *Consequence* of prohibited association and that the *Athlete* or other *Person* can reasonably avoid the association. The *Anti-Doping Organisation* shall also use reasonable efforts to advise the *Athlete Support Person* who is the subject of the notice to the *Athlete* or other *Person* that the *Athlete Support Person* may, within 15 days, come forward to the *Anti-Doping Organisation* to explain that the criteria described in Articles 14.2.10.1 and 14.2.10.2 do not apply to him or her. (Notwithstanding Article 14.16, this Article applies even when the *Athlete Support Person's* disqualifying conduct occurred prior to the effective date provided in Article 25 of the *Code*.)

The burden shall be on the *Athlete* or other *Person* to establish that any association with *Athlete Support Personnel* described in Article 14.2.10.1 or 14.2.10.2 is not in a professional or sport-related capacity.

Anti-Doping Organisations that are aware of *Athlete Support Personnel* who meet the criteria described in Article 14.2.10.1, 14.2.10.2, or 14.2.10.3 shall submit that information to *WADA*.

14.3 PROOF OF DOPING

14.3.1 Burdens and Standards of Proof

FISU shall have the burden of establishing that an anti-doping rule violation has occurred. The standard of proof shall be whether FISU has established an anti-doping rule violation to the comfortable satisfaction of the hearing panel bearing in mind the seriousness of the allegation that is made. This standard of proof in all cases is greater than a mere balance of probability but less than proof beyond a reasonable doubt. Where the *Code* or these Anti-Doping Rules places the burden of proof upon the *Athlete* or other *Person* alleged to have committed an anti-doping rule violation to rebut a presumption or establish specified facts or circumstances, the standard of proof shall be by a balance of probability.

14.3.2 Methods of Establishing Facts and Presumptions

Facts related to anti-doping rule violations may be established by any reliable means, including admissions. The following rules of proof shall be applicable in doping cases:

- 14.3.2.1 Analytical methods or decision limits approved by WADA after consultation within the relevant scientific community and which have been the subject of peer review are presumed to be scientifically valid. Any Athlete or other Person seeking to rebut this presumption of scientific validity shall, as a condition precedent to any such challenge, first notify WADA of the challenge and the basis of the challenge. CAS on its own initiative may also inform WADA of any such challenge. At WADA's request, the CAS panel shall appoint an appropriate scientific expert to assist the panel in its evaluation of the challenge. Within 10 days of WADA's receipt of such notice, and WADA's receipt of the CAS file, WADA shall also have the right to intervene as a party, appear *amicus curiae* or otherwise provide evidence in such proceeding.
- 14.3.2.2 WADA-accredited laboratories, and other laboratories approved by WADA, are presumed to have conducted Sample analysis and custodial procedures in accordance with the International Standard for Laboratories. The Athlete or other Person may rebut this presumption by establishing that a departure from the International Standard for Laboratories occurred which could reasonably have caused Adverse Analytical Finding. If the Athlete or other Person rebuts the preceding presumption by showing that a departure from the International Standard for Laboratories occurred which could reasonably have caused the Adverse Analytical Finding, then, FISU shall have the burden to establish that such departure did not cause the Adverse Analytical Finding.
- 14.3.2.3 Departures from any other International Standard or other anti-doping rule or policy set forth in the Code or these Anti-Doping Rules which did not cause an Adverse Analytical Finding or other anti-doping rule violation shall not invalidate such evidence or results. If the Athlete or other Person establishes a departure from another International Standard or other anti-doping rule or policy which could reasonably have caused an anti-doping rule violation based on an Adverse Analytical Finding or other anti-doping rule violation, then FISU shall have the burden to establish that such departures did not cause the Adverse Analytical Finding or the factual basis for the anti-doping rule violation.
- 14.3.2.4 The facts established by a decision of a court or professional disciplinary tribunal of competent jurisdiction which is not the subject of a pending appeal shall be irrebutable evidence against the Athlete or other Person to whom the decision pertained of those facts unless the Athlete or other Person establishes that the decision violated principles of natural justice.
- 14.3.2.5 The Disciplinary Commission in a hearing on an anti-doping rule violation may draw an inference adverse to the Athlete or other Person who is asserted to have committed an anti-doping rule violation based on the Athlete's or other Person's refusal, after a request made in a reasonable time in advance of the hearing, to appear at the hearing (either in person, in writing or telephonically as directed

by the hearing panel) and to answer questions from the Disciplinary Commission or FISU.

14.4 THE PROHIBITED LIST

14.4.1 Prohibited Substances and Prohibited Methods identified on the Prohibited List

The list of *Prohibited Substances and Methods* is the current *WADA Prohibited List*. The *Prohibited List* in force is available on WADA's website at: www.wada-ama.org.

14.4.1.1 Prohibited Substances and Prohibited Methods

Unless provided otherwise in the *Prohibited List* and/or a revision, the *Prohibited List* and revisions shall go into effect under these Anti-Doping Rules three months after publication of the *Prohibited List* by WADA, without requiring any further action by FISU.

14.4.1.2 All Athletes and other Persons shall be bound by the Prohibited List, and any revisions thereto, from the date they go into effect, without further formality. It is the responsibility of all Athletes and other Persons to familiarise themselves with the most up-to-date version of the Prohibited List and all revisions thereto.

14.4.1.3 Specified Substances

For purposes of the application of Article 14.11, all *Prohibited Substances* shall be *Specified Substances* except substances in the classes of anabolic agents and hormones; and those stimulants and hormone antagonists and modulators so identified on the *Prohibited List*. The category of *Specified Substances* shall not include *Prohibited Methods*.

14.4.2 WADA's Determination of the Prohibited List

WADA's determination of the *Prohibited Substances and Prohibited Methods* that will be included on the *Prohibited List*, the classification of substances into categories on the *Prohibited List*, and the classification of a substance as prohibited at all times or *In-Competition* only, is final and shall not be subject to challenge by an *Athlete* or other *Person* based on an argument that the substance or method was not a masking agent or did not have the potential to enhance performance, represent a health risk or violate the spirit of sport.

14.4.3 Therapeutic Use Exemptions ("TUEs")

14.4.3.1 The presence of a Prohibited Substance or its Metabolites or Markers and/or the Use or Attempted Use, Possession or Administration or Attempted Administration of a Prohibited Substance or Prohibited Method shall not be considered an anti-doping rule violation if it is consistent with the provisions of a TUE granted in accordance with the International Standard for Therapeutic Use Exemptions.

14.4.3.2 Where the Athlete already has a TUE granted by his or her NADO or ISF, s/he should apply to the FISU TUE Committee (the "TUEC") for recognition of that

TUE. If that TUE meets the criteria set out in the International Standard for Therapeutic Use Exemptions, the TUEC must recognise it. If the TUEC decides the TUE does not meet those criteria and so refuses to recognise it, it must notify the Athlete promptly, explaining its reasons.

- 14.4.3.3 The Athlete who wishes to Use a Prohibited Substance or a Prohibited Method in connection with the FISU Event and does not already have a TUE should apply to his/her respective ISF or NADO. The application for a TUE may be made as soon as possible (as soon as s/he is notified of his/her selection to participate in a FISU Event) and in any Event (save in emergency situations) no later than 30 days before the Athlete's participation in the Event.
- 14.4.3.4 FISU shall appoint a panel of physicians from the FISU Medical Committee to consider, in exceptional circumstances, requests from Athletes participating in FISU Events for TUEs. These, if granted, will be valid only for the duration of that Event. These applications may be made using ADAMS.
- 14.4.3.5 The TUEC shall promptly evaluate the application in accordance with the International Standard for Therapeutic Use Exemptions and render a decision as quickly as possible, which decisions may be reported via ADAMS. The provisions of the International Standard for Therapeutic Use Exemptions shall be complied with during the whole process and applied automatically.
- 14.4.3.6 A decision by FISU not to recognise or not to grant a TUE may be appealed by the Athlete exclusively to the independent TUE Appeal Committee for that purpose. If the Athlete does not appeal (or the TUE Appeal Committee decides to uphold the refusal to grant/recognise the TUE and so rejects the appeal), the Athlete may not Use the substance or method in question in connection with the Event, but any TUE granted by his/her ISF or NADO for that substance or method remains valid outside of that Event.
- 14.4.3.7 WADA may review FISU's decisions on TUEs at any time, whether upon request by those affected or on its own initiative. If the TUE decision being reviewed meets the criteria set out in the International Standard for Therapeutic Use Exemptions, WADA will not interfere with it. If the TUE decision does not meet those criteria, WADA will reverse it.
- 14.4.3.8 A failure to take action within a reasonable time on a properly submitted application for grant/recognition of a TUE or for review of a TUE decision shall be considered a denial of the application.

14.5 TESTING AND INVESTIGATIONS

14.5.1 Purpose of Testing and Investigations

Testing and investigations shall only be undertaken for anti-doping purposes. They shall be conducted in conformity with the provisions of the International Standard for Testing and Investigations and the specific protocols of FISU supplementing that *International Standard*.

14.5.1.1 Testing shall be undertaken to obtain analytical evidence as to the Athlete's compliance (or non-compliance) with the strict prohibition on the presence/Use of a Prohibited Substance or Prohibited Method. Test distribution planning, Testing, post-Testing activity and all related activities shall be conducted by FISU in conformity with the International Standard for Testing and Investigations. FISU shall determine the number of finishing placement tests, random tests and target tests to be performed in accordance with the criteria established by the International Standard for Testing and Investigations. All provisions of the International Standard for Testing and Investigations shall apply automatically in respect of all such Testing.

14.5.1.2 Investigations shall be undertaken:

14.5.1.2.1 in relation to *Atypical Findings*, in accordance with Article 14.8.3, gathering intelligence or evidence (including, in particular, analytical evidence) in order to determine whether an anti-doping rule violation has occurred under Article 14.2.1 and/or Article 14.2.2 ; and

14.5.1.2.2 in relation to other indications of potential anti-doping rule violations, in accordance with Articles 14.8.4 and 14.8.5, gathering intelligence or evidence (including, in particular, non-analytical evidence) in order to determine whether an anti-doping rule violation has occurred under any of Articles 14.2.2 to 14.2.10.

14.5.1.3 FISU may obtain, assess and process anti-doping intelligence from all available sources, to inform the development of an effective, intelligent and proportionate test distribution plan, to plan Target Testing, and/or to form the basis of an investigation into a possible anti-doping rule violation(s).

14.5.2 Authority to conduct Testing

14.5.2.1 Subject to the jurisdictional limitations for Event Testing set out in Article 5.3 of the Code, FISU shall have In-Competition Testing authority for the Event Period and Out-of-Competition Testing authority over all Athletes entered in one of its future Events or who have otherwise been made subject to the Testing authority of FISU for a future Event. At the request of FISU, any Testing during the Event Period outside of the Event Venues shall be coordinated with FISU.

14.5.2.2 FISU may require any Athlete over whom it has Testing authority to provide a Sample at any time and at any place.

14.5.2.3 Subject to Article 5.3.1 of the Code, FISU shall have exclusive authority to initiate and direct Testing at the Event Venue during the Event Period. In accordance with Article 5.3.1 of the Code, not only FISU but also other Anti-Doping Organisations with Testing authority over Athletes participating at the Event, may test such Athletes during the Event Period outside of the Event Venues. Such Testing shall be coordinated with FISU.

14.5.2.4 WADA shall have In-Competition and Out-of-Competition Testing authority as set out in Article 20.7.8 of the Code.

14.5.3 Delegation of responsibility, overseeing and monitoring of Doping Control

- 14.5.3.1 FISU has the authority to appoint any Sample Collection Authority (as defined in the International Standard for Testing and Investigations) it deems appropriate to collect Samples on its behalf. Such Sample Collection Authority shall comply with the Code and the International Standard for Testing and Investigations in respect of such Testing.
- 14.5.3.2 The FISU Medical Committee will be responsible for overseeing all Doping Control conducted by FISU and/or any Sample Collection Authority collecting Samples under its authority.
- 14.5.3.3 Doping Control may be monitored by members of the FISU Medical Committee or by other qualified Persons so authorised by FISU.

14.5.4 Test Distribution Planning

Consistent with the International Standard for Testing and Investigations, and in coordination with other *Anti-Doping Organisations* conducting *Testing* on the same *Athletes*, FISU shall develop and implement an effective, intelligent and proportionate test distribution plan for its *Event(s)* that prioritises appropriately between sports, disciplines, categories of *Athletes*, types of *Testing*, types of *Samples* collected, and types of *Sample* analysis, all in compliance with the requirements of the International Standard for Testing and Investigations. FISU shall provide *WADA* upon request with a copy of its test distribution plan.

14.5.5 Coordination of Testing

Where reasonably feasible, *Testing* shall be coordinated through *ADAMS* or another system approved by *WADA* in order to maximise the effectiveness of the combined *Testing* effort and to avoid unnecessary repetitive *Testing*.

14.5.6 Athlete Whereabouts Information

- 14.5.6.1 Where an Athlete is in a Registered Testing Pool, FISU may access his/her Whereabouts Filings (as defined in the International Standard for Testing and Investigations) for the period for which the Athlete is subject to FISU's Testing authority. FISU will access the Athlete's Whereabouts Filings not via the Athlete but rather via the International Sports Federation or National Anti-Doping Organisation that is receiving the Athlete's Whereabouts Filings. FISU will not require the Athlete to file any different whereabouts information with it.
- 14.5.6.2 Where an Athlete is not in a Registered Testing Pool in the period for which the Athlete is subject to FISU's Testing authority, FISU may require him/her to provide such information about his/her whereabouts in that period as it deems necessary and proportionate in order to conduct Testing upon him/her, up to and including information equivalent to the Whereabouts Filings that an Athlete would have to make in accordance with Annex I to the International Standard for Testing and Investigations if s/he were in a Registered Testing Pool.

14.5.6.3 Whereabouts information relating to an Athlete shall be maintained in strict confidence at all times, shall be used exclusively for the purposes set out in Article 5.6 of the Code, and shall be destroyed in accordance with the International Standard for the Protection of Privacy and Personal Information once it is no longer relevant for these purposes.

14.5.7 Retired Athletes Returning to Competition

14.5.7.1 An Athlete in a Registered Testing Pool who retires and then wishes to return to active participation in sport may not participate in FISU's Events until s/he has given his/her International Sports Federation and National Anti-Doping Organisation written notice of his/her intent to resume competing and has made him/herself available for Testing for a period of six months, including (if requested) complying with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations. WADA, in consultation with the relevant International Sports Federation and National Anti-Doping Organisation, may grant an exemption to the six-month written notice rule where the strict application of that rule would be manifestly unfair to an Athlete. This decision may be appealed under Article 14.13. Any competitive results obtained in violation of this Article 14.5.6.1 shall be Disqualified.

14.5.7.2 If an Athlete retires from sport while subject to a period of Ineligibility, the Athlete shall not resume competing in FISU's Events until the Athlete has given six months prior written notice (or notice equivalent to the period of Ineligibility remaining as of the date the Athlete retired, if that period was longer than six months) to his/her International Sports Federation and National Anti-Doping Organisation of his/her intent to resume competing and has made him/herself available for Testing for that notice period, including (if requested) complying with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations.

14.5.8 Independent Observer Programme

FISU shall authorise and facilitate the *Independent Observer Programme* at its *Event(s)*.

14.6 ANALYSIS OF SAMPLES

14.6.1 Use of Accredited and Approved Laboratories

For purposes of Article 14.2.1, *Samples* shall be analysed only in laboratories accredited or otherwise approved by WADA. The choice of the WADA-accredited or WADA-approved laboratory used for the *Sample* analysis under these Anti-Doping Rules shall be determined by FISU.

14.6.2 Purpose of Analysis of Samples

14.6.2.1 Samples shall be analysed to detect Prohibited Substances and Prohibited Methods and other substances as may be directed by WADA pursuant to the Monitoring Programme described in Article 4.5 of the Code; or to assist in

profiling relevant parameters in an Athlete's urine, blood or other matrix, including DNA or genomic profiling; or for any other legitimate anti-doping purpose. Samples may be collected and stored for future analysis.

- 14.6.2.2 FISU shall ask laboratories to analyse Samples in conformity with Article 6.4 and Article 4.7 of the International Standard for Testing and Investigations.

14.6.3 Research on Samples

No *Sample* may be used for research without the *Athlete's* written consent. *Samples* used for purposes other than Article 14.6.2.1 shall have any means of identification removed such that they cannot be traced back to a particular *Athlete*.

14.6.4 Standards for Sample Analysis and Reporting

Laboratories shall analyse *Samples* and report results in conformity with the International Standard for Laboratories. To ensure effective *Testing*, the Technical Document referenced at Article 5.4.1 of the *Code* will establish risk assessment-based *Sample* analysis menus appropriate for particular sports and sport disciplines, and laboratories shall analyse *Samples* in conformity with those menus, except as follows:

- 14.6.4.1 FISU may request that laboratories analyse its Samples using more extensive menus than those described in the Technical Document.
- 14.6.4.2 FISU may request that laboratories analyse its Samples using less extensive menus than those described in the Technical Document only if it has satisfied WADA that, because of the particular circumstances of the country or sport, as set out in its test distribution plan, less extensive analysis would be appropriate.
- 14.6.4.3 As provided in the International Standard for Laboratories, laboratories at their own initiative and expense may analyse Samples for Prohibited Substances or Prohibited Methods not included on the Sample analysis menu described in the Technical Document or specified by the Testing authority. Results from any such analysis shall be reported and have the same validity and consequence as any other analytical result.

14.6.5 Further Analysis of Samples

Any *Sample* may be stored and subsequently subjected to further analysis for the purposes set out in Article 14.6.2.1: (a) by *WADA* at any time; and/or (b) by *FISU* at any time before both the *A* and *B Sample* analytical results (or *A Sample* result where *B Sample* analysis has been waived or will not be performed) have been communicated by *FISU* to the *Athlete* as the asserted basis for an Article 14.2.1 anti-doping rule violation. Such further analysis of *Samples* shall conform with the requirements of the International Standard for Laboratories and the International Standard for Testing and Investigations.

14.7 SAMPLE-TAKING PROCEDURE

- 14.7.1 Immediately after the Competition or after the determination of the final results, the Athlete selected for a Doping Control shall be handed a Notification Form by a Doping Control Officer or his/her representative (Chaperone) and asked to report as soon as possible to the designated Doping Control Station. The Athlete must bring his/her accreditation card to the Doping Control Station designated on the form.
- 14.7.2 Upon presentation of the Notification Form, the Chaperone shall enter the time of notification and the Athlete shall sign the Notification Form.
- 14.7.3 In Out-of-Competition Testing, the Athlete has to report to the designated Doping Control Station immediately.
- 14.7.4 If the Athlete refuses to sign the Notification Form or should the Athlete fail to report to the Doping Control Station within a reasonable time, the facts shall be noted on the Doping Control Form. The DCO shall decide whether to process a possible failure to comply. However, if the test is possible, it shall still be carried out.
- 14.7.5 From the time of notification for a Doping Control until provision of the Sample, the Athlete shall be escorted to the designated Doping Control Station by a Person authorised by the Organising Committee or FISU in such a way that the Athlete is always within sight and not able to manipulate the Sample to be given.
- 14.7.6 Should the Athlete be required to leave the Doping Control Station, s/he will have to be observed at all times by a Chaperone.
- 14.7.7 Upon arrival at the Doping Control Station, the Athlete and the accompanying Person shall be attended in the waiting room by a member of the Doping Control team. The time of arrival and the personal data of the Athlete shall be noted on the Doping Control Form.
- 14.7.8 The Doping Control Officer shall check the identity of the Athlete by means of the FISU Event accreditation card.
- 14.7.9 The Athlete may be searched for evidence of possible manipulation of the urine Sample while in the Doping Control Station.
- 14.7.10 In addition to the Athlete and the accompanying Persons, only authorised Persons may be present in the Doping Control Station. Usually they will be:
- Doping Control Officer(s);
 - Member(s) of the FISU Medical Committee;
 - Chaperones;
 - Interpreters;
 - WADA independent observers.

No representative of the press, television, radio, etc. may be permitted to be present in the Doping Control Station.

14.7.11 The actions for collection of the urine Sample will take the following course:

- a) When the *Athlete* indicates s/he is ready to provide a urine *Sample*, the *Doping Control Officer* shall ensure that the *Athlete* is informed about his/her rights and responsibilities and the *Sample* collection process.
- b) The *Athlete* shall select a sealed collection container with which s/he is satisfied. If the *Athlete* is not satisfied with a container, s/he shall select another one. If the *Athlete* is not satisfied with any containers and no other containers are available, this should be noted on the Doping Control Form and the *Doping Control Officer* shall instruct the *Athlete* to proceed with the test. However, if the *Doping Control Officer* and Medical Committee member agree with the reasons put forward by the *Athlete* that all available containers do not meet specifications, the *Doping Control Officer* shall terminate the test and this should be noted in the Doping Control Officer Report Form.
- c) The *Athlete* shall retain control of the collection container and any *Sample* provided until the *Sample* is sealed. A *Doping Control Officer* and/or a *Chaperone* may handle the collection vessel only if authorised to do so by the *Athlete*.
- d) The *Chaperone* and the *Athlete* shall proceed to the toilet area to collect a *Sample*.
- e) The *Chaperone* shall directly witness the passing of the *Sample* by the *Athlete*.
- f) Once the *Athlete* has completed passing the *Sample*, the *Athlete* and *Chaperone* shall immediately return to the *Doping Control Officer* who will oversee the processing and sealing of the *Sample*.
- g) The *Chaperone* who witnessed the passing of the *Sample* shall sign the Doping Control Form to verify that the *Athlete* passed the *Sample*.
- h) The *Doping Control Officer* shall ensure that the volume of the urine *Sample* satisfied laboratory requirements for analysis in full view of the *Athletes*.
- i) Where the volume of urine is insufficient, a partial *Sample* collection procedure shall be conducted.
- j) Where there is Suitable Volume of Urine for Analysis, the *Athlete* shall select a urine kit with which s/he is satisfied and in which the *Sample* will be sealed. If the *Athlete* is not satisfied with the urine kit, s/he shall select another kit until satisfied. If the *Athlete* is not satisfied with any urine kits and no others are available, this should be noted on the Doping Control Form and the *Doping Control Officer* shall instruct the *Athlete* to proceed with the test. However, if the *Doping Control Officer* and Medical Committee member agree with the reasons put forward by *Athlete* that all available urine kits do not meet specifications; the *Doping Control Officer* shall terminate the test and inform the Chair of the Medical Committee.
- k) Once a urine kit has been selected, the *Doping Control Officer* and *Athlete* shall check the kit to determine that it is suitable. If after this inspection, the kit is considered unsuitable, the same procedure shall be followed as in paragraph j) above.
- l) The *Athlete* shall open the kit; pour at least the prescribed minimum volumes of urine into the A and B bottles.

- m) The *Doping Control Officer* shall confirm that the *Sample* satisfied laboratory requirements for analyses by testing the Specific Gravity of the Residual Volume of urine remaining in the collection container.
- n) The *Athlete* shall then seal the bottles as directed by the *Doping Control Officer*.
- o) The *Athlete* and his/her representative will be asked to offer any comments or concerns about the *Doping Control* procedure in writing on the Doping Control Form.
- p) The *Doping Control Officer* shall request the *Athlete* to provide information about all medication and other substances used within the last seven (7) days.
- q) The *Doping Control Officer* shall complete the Doping Control Form.
- r) The *Doping Control Officer*, the *Athlete*, the *Athlete's* representative (if applicable), and any other *Person* where required shall then sign the Doping Control Form to verify the accuracy of the information.
- s) The *Doping Control Officer* shall provide a copy of the Doping Control Form to the *Athlete* as s/he leaves the *Doping Control Station*.
- t) The *Doping Control Officer* shall discard all residual urine.
- u) If a *Chaperone* observes any unusual behaviour by an *Athlete* while witnessing the passing of the *Sample*, the *Chaperone* shall report that fact to the *Doping Control Officer* as soon as possible. The *Doping Control Officer* shall then follow the procedure for investigation and processing possible failures to comply.
- v) If a *Chaperone* is unable to verify the passing of the *Sample* or the *Chaperone* reports observing unusual behaviour by the *Athlete*, the *Doping Control Officer* can require the *Athlete* to provide an additional *Sample*. If additional *Samples* are collected, all *Samples* collected shall be sent to the laboratory for analysis.
- w) If a *Doping Control Officer* observes an *Athlete* failing to comply with any direction made by the *Doping Control Officer* or *Chaperone* during the *Sample* collection process, the *Doping Control Officer* shall follow the procedure for investigating and processing possible failures to comply.
- x) If the original *Sample* collected does not meet the requirements for Suitable Specific Gravity for Analysis (1.005 or higher with a refractometer or 1.010 or higher with lab stick), the *DCO* is responsible for collecting additional *Samples* until suitable *Sample* is obtained.
- y) If it is determined that none of the *Athlete's Sample* meets the requirements for Suitable Specific Gravity for Analysis and the *DCO* determines that, for logistic reasons, it is impossible to continue with the *Sample* collection session, the *DCO* may end the *Sample* collection session. In such circumstances, if appropriate, the *DCO* may investigate a possible anti-doping regulation.
- z) The *DCO* shall send to the laboratory for analysis all *Samples* which were collected, irrespective of whether or not they meet the requirements for Suitable Specific Gravity for Analysis.

14.7.12 The Medical Committee or the Medical Committee member can locally modify this procedure in exceptional circumstances.

14.8 RESULTS MANAGEMENT

14.8.1 Responsibility for conducting Results Management

14.8.1.1 FISU shall be responsible for results management and the conduct of hearings for anti-doping rule violations arising under these Anti-Doping Rules in relation to the consequences that are specified at Articles 14.10, 14.11.1 and 14.11.2.1.

14.8.1.1.1 FISU shall appoint a Doping Review Panel consisting of a Chair and six other members with experience in anti-doping. When a potential violation is referred to the Doping Review Panel by FISU, the Chair of the Doping Review Panel shall appoint one or more members of the Panel (which may include the Chair) to conduct the review discussed in this Article 14.8. No Person may be a member of the Doping Review Panel dealing with a specific case if s/he (i) has the same nationality as the Athlete or other Person concerned; (ii) has any declared or apparent conflict of interest with such Athlete or other Person, the National Olympic Committee, the National Sports Federation or International Sports Federation of such Athlete or other Person, or with any Person involved in the case in any way whatsoever; or (iii) in any way whatsoever, does not feel him/herself to be free and independent.

14.8.1.2 Responsibility for results management and the conduct of hearings for anti-doping rule violations arising under these Anti-Doping Rules in relation to Consequences that extend beyond FISU's Event(s) (e.g., period of Ineligibility for other Events) shall be referred to the applicable International Sports Federation.

14.8.2 Review of Adverse Analytical Findings from Tests Initiated by FISU

Results management in respect of the results of tests initiated by FISU (including any tests performed by WADA pursuant to agreement with FISU shall proceed as follows:

14.8.2.1 The results from all analyses must be sent to FISU in encoded form, in a report signed by an authorised representative of the laboratory. All communication must be conducted confidentially and in conformity with ADAMS. If a Prohibited Substance or the Use of a Prohibited Method is identified, the Chair of the Medical Committee or his/her representative shall then, without delay, notify the Athlete, the Athlete's NUSF, the Athlete's NADO, the Athlete's ISF and WADA in writing of the Doping Offence and the appeals process. The Chair of the Medical Committee or his/her representative shall also, without delay, inform the FISU President or his representative.

14.8.2.2 Upon receipt of an Adverse Analytical Finding, FISU shall conduct a review to determine whether: (a) an applicable TUE has been granted or will be granted as provided in the International Standard for Therapeutic Use Exemptions, or (b) there is any apparent departure from the International Standard for Testing and Investigations or International Standard for Laboratories that caused the Adverse Analytical Finding.

- 14.8.2.3 If the review of an Adverse Analytical Finding under Article 14.8.2.2 reveals an applicable TUE or departure from the International Standard for Testing and Investigations or the International Standard for Laboratories that caused the Adverse Analytical Finding, the entire test shall be considered negative and the Athlete, the Athlete's NUSF, the Athlete's NADO, the Athlete's ISF and WADA shall be so informed.
- 14.8.2.4 If the review of an Adverse Analytical Finding under Article 14.8.2.2 does not reveal an applicable TUE or entitlement to a TUE as provided in the International Standard for Therapeutic Use Exemptions, or departure from the International Standard for Testing and Investigations or the International Standard for Laboratories that caused the Adverse Analytical Finding, FISU shall promptly notify the Athlete, and simultaneously the Athlete's NADO, the Athlete's NUSF, the Athlete's ISF and WADA, in the manner set out in Article 14.14.1, of: (a) the Adverse Analytical Finding; (b) the anti-doping rule violated; (c) the Athlete's right to promptly request the analysis of the B Sample or, failing such request, that the B Sample analysis may be deemed waived; (d) the scheduled date, time and place for the B Sample analysis if the Athlete or FISU chooses to request an analysis of the B Sample; (e) the opportunity for the Athlete and/or the Athlete's representative to attend the B Sample opening and analysis in accordance with the International Standard for Laboratories if such analysis is requested; and (f) the Athlete's right to request copies of the A and B Sample laboratory documentation package which includes information as required by the International Standard for Laboratories.
- 14.8.2.5 Where requested by the Athlete or FISU, arrangements shall be made to analyse the B Sample in accordance with the International Standard for Laboratories. An Athlete may accept the A Sample analytical results by waiving the requirement for B Sample analysis. FISU may nonetheless elect to proceed with the B Sample analysis.
- 14.8.2.6 The Athlete and/or his representative shall be allowed to be present at the analysis of the B Sample. Also, a representative of FISU as well as a representative of the Athlete's NUSF shall be allowed to be present.
- 14.8.2.7 If the B Sample analysis does not confirm the A Sample analysis, then (unless FISU takes the case forward as an anti-doping rule violation under Article 14.2.2) the entire test shall be considered negative and the Athlete, the Athlete's NUSF, NADO, ISF and WADA shall be so informed.
- 14.8.2.8 If the B Sample analysis confirms the A Sample analysis, the findings shall be reported to the Athlete, the Athlete's NUSF, NADO, ISF and to WADA.

14.8.3 Review of Atypical Findings

- 14.8.3.1 As provided in the International Standard for Laboratories, in some circumstances, laboratories are directed to report the presence of Prohibited Substances, which may also be produced endogenously, as Atypical Findings, i.e., as findings that are subject to further investigation.
- 14.8.3.2 Upon receipt of an Atypical Finding, FISU shall conduct a review to determine whether: (a) an applicable TUE has been granted or will be granted as provided in the International Standard for Therapeutic Use Exemptions, or (b) there is any apparent departure from the International Standard for Testing and Investigations or International Standard for Laboratories that caused the Atypical Finding.
- 14.8.3.3 If the review of an Atypical Finding under Article 14.8.3.2 reveals an applicable TUE or a departure from the International Standard for Testing and Investigations or the International Standard for Laboratories that caused the Atypical Finding, the entire test shall be considered negative and the Athlete, the Athlete's NUSF, the Athlete's NADO, the Athlete's ISF and WADA shall be so informed.
- 14.8.3.4 If that review does not reveal an applicable TUE or a departure from the International Standard for Testing and Investigations or the International Standard for Laboratories that caused the Atypical Finding, FISU shall conduct the required investigation or cause it to be conducted. After the investigation is completed, either the Atypical Finding will be brought forward as an Adverse Analytical Finding in accordance with Article 14.8.2.4, or else the Athlete, the Athlete's NUSF, the Athlete's NADO, the Athlete's ISF and WADA shall be notified that the Atypical Finding will not be brought forward as an Adverse Analytical Finding.
- 14.8.3.5 FISU will not provide notice of an Atypical Finding until it has completed its investigation and has decided whether it will bring the Atypical Finding forward as an Adverse Analytical Finding unless one of the following circumstances exists:
- 14.8.3.5.1 If FISU determines the B Sample should be analysed prior to the conclusion of its investigation, it may conduct the B Sample analysis after notifying the Athlete, with such notice to include a description of the Atypical Finding and the information described in Article 14.8.2.4(d) - (f).
- 14.8.3.5.2 If FISU asked (a) by another Major Event Organisation shortly before one of its Events, or (b) by a sport organisation responsible for meeting an imminent deadline for selecting team members for an International Event or National Event, to disclose whether any Athlete identified on a list provided by the other Major Event Organisation or sport organisation has a pending Atypical Finding, FISU shall so advise the other Major Event Organisation or sports organisation after first providing notice of the Atypical Finding to the Athlete.

14.8.4 Review of Whereabouts Failures

- 14.8.4.1 FISU shall refer potential filing failures and missed tests (as defined in the International Standard for Testing and Investigations) to whichever of the Athlete's International Sports Federation and National Anti-Doping Organisation receives that Athlete's whereabouts filings and so has responsibility for results management of whereabouts failures by that Athlete.
- 14.8.4.2 Where an Athlete who is not in a Registered Testing Pool is required to submit whereabouts information to FISU in accordance with Article 14.5.5.2, but fails to do so, FISU will treat this as a test refusal and will impose consequences as described in Article 14.8.4.1 of these Anti-Doping Rules.

14.8.5 Review of Other Anti-Doping Rule Violations Not Covered by Articles 14.8.2 - 14.8.4

FISU shall conduct any follow-up investigation required into a possible anti-doping rule violation not covered by Articles 14.8.2 to 14.8.4. At such time as FISU is satisfied that an anti-doping rule violation has occurred, it shall promptly give the *Athlete* or other *Person* (and simultaneously the *Athlete's* or other *Person's NUSF and NADO*, the *Athlete's ISF* and *WADA*) notice of the anti-doping rule violation asserted, and the basis of that assertion.

14.8.6 Provisional Suspensions

- 14.8.6.1 **Mandatory Provisional Suspension:** if analysis of an A Sample has resulted in an Adverse Analytical Finding for a Prohibited Substance that is not a Specified Substance, or for a Prohibited Method, and a review in accordance with Article 14.8.2.2 does not reveal an applicable TUE or departure from the International Standard for Testing and Investigations or the International Standard for Laboratories that caused the Adverse Analytical Finding, a Provisional Suspension shall be imposed upon or promptly after the notification described in Article 14.8.2.4.
- 14.8.6.2 **Optional Provisional Suspension:** in case of an Adverse Analytical Finding for a Specified Substance, or in the case of any other anti-doping rule violations not covered by Article 14.8.6.1, FISU may impose a Provisional Suspension on the Athlete or other Person against whom the anti-doping rule violation is asserted at any time after the review and notification described in Articles 14.8.2-14.8.5 and prior to the final hearing as described in Article 14.9.
- 14.8.6.3 Where a Provisional Suspension is imposed, whether pursuant to Article 14.8.6.1 or Article 14.8.6.2, unless the Athlete or other Person shall be given either: (a) an opportunity for a Provisional Hearing either before or on a timely basis after imposition of the Provisional Suspension; or (b) an opportunity for an expedited final hearing in accordance with Article 14.9 on a timely basis after imposition of the Provisional Suspension. Furthermore, the Athlete or other Person has a right to appeal from the Provisional Suspension in accordance with Article 14.13.2 (save as set out in Article 14.8.6.3.1).

- 14.8.6.3.1 The Provisional Suspension may be lifted if the Athlete demonstrates to the hearing panel that the violation is likely to have involved a Contaminated Product. A hearing panel's decision not to lift a mandatory Provisional Suspension on account of the Athlete's assertion regarding a Contaminated Product shall not be appealable.
- 14.8.6.4 If a Provisional Suspension is imposed based on an A Sample Adverse Analytical Finding and subsequent analysis of the B Sample does not confirm the A Sample analysis, then the Athlete shall not be subject to any further Provisional Suspension on account of a violation of Article 14.2.1. In circumstances where the Athlete (or the Athlete's team) has been removed from a Competition based on a violation of Article 14.2.1 and the subsequent B Sample analysis does not confirm the A Sample finding, then if it is still possible for the Athlete or team to be reinserted without otherwise affecting the Competition, the Athlete or team may continue to take part in the Competition. In addition, the Athlete or team may thereafter take part in other Competitions in the same Event.
- 14.8.6.5 In all cases where an Athlete or other Person has been notified of an anti-doping rule violation but a Provisional Suspension has not been imposed on him or her, the Athlete or other Person shall be offered the opportunity to accept a Provisional Suspension voluntarily pending the resolution of the matter.

14.8.7 Resolution without a Hearing

- 14.8.7.1 An Athlete or other Person against whom an anti-doping rule violation is asserted may admit that violation at any time, waive a hearing, and accept the Consequences that are mandated by these Anti-Doping Rules or (where some discretion as to Consequences exists under these Anti-Doping Rules) that have been offered by FISU.
- 14.8.7.2 Alternatively, if the Athlete or other Person against whom an anti-doping rule violation is asserted fails to dispute that assertion within the deadline specified in the notice sent by FISU asserting the violation, then he/she shall be deemed to have admitted the violation, to have waived a hearing, and to have accepted the Consequences that are mandated by these Anti-Doping Rules or (where some discretion as to Consequences exists under these Anti-Doping Rules) that have been offered by FISU.
- 14.8.7.3 In cases where Article 14.8.7.1 or Article 14.8.7.2 applies, a hearing before a hearing panel shall not be required. Instead FISU shall promptly issue a written decision confirming the commission of the anti-doping rule violation and the Consequences imposed as a result. FISU shall send copies of that decision to other Anti-Doping Organisations with a right to appeal under Article 14.13.2.2, and shall Publicly Disclose that decision in accordance with Article 14.14.3.2.

14.8.8 Notification of Results Management Decisions

In all cases where FISU has asserted the commission of an anti-doping rule violation, withdrawn the assertion of an anti-doping rule violation, imposed a *Provisional Suspension*,

or agreed with an *Athlete* or other *Person* on the imposition of *Consequences* without a hearing, FISU shall give notice thereof in accordance with Article 14.14.2.1 to other *Anti-Doping Organisations* with a right to appeal under Article 14.13.2.2.

14.8.9 Retirement from Sport

If an *Athlete* or other *Person* retires while FISU is conducting the results management process, FISU retains jurisdiction to complete its results management process. If an *Athlete* or other *Person* retires before any results management process has begun, and FISU would have had results management authority over the *Athlete* or other *Person* at the time the *Athlete* or other *Person* committed an anti-doping rule violation, FISU has authority to conduct results management in respect of that anti-doping rule violation.

14.9 RIGHT TO A FAIR HEARING

14.9.1 Setting up a Disciplinary Commission

The FISU Executive Committee will appoint a Disciplinary Commission composed of three (3) experts.

14.9.2 Hearings following FISU's result management

- 14.9.2.1 When FISU sends a notice to an *Athlete* or other *Person* asserting an anti-doping rule violation, and the *Athlete* or other *Person* does not waive a hearing in accordance with Article 14.8.7.1 or Article 14.8.7.2, then the case shall be referred to the Disciplinary Commission for hearing and adjudication.
- 14.9.2.2 Hearings shall be conducted and completed within a reasonable time. Hearings held in connection with Events that are subject to these Anti-Doping Rules may be conducted by an expedited process where permitted by the Disciplinary Commission.
- 14.9.2.3 The Disciplinary Commission shall determine the procedure to be followed at the hearing.
- 14.9.2.4 WADA, the NADO, NUSF and the ISF of the *Athlete* or other *Person* may attend the hearing as observers. In any event, FISU shall keep them fully apprised as to the status of pending cases and the result of all hearings.
- 14.9.2.5 The *Athlete* or other *Person* involved has the right to be represented by counsel at their own expense.
- 14.9.2.6 The Disciplinary Commission shall act in a fair and impartial manner towards all parties at all times.
- 14.9.2.7 The Disciplinary Commission shall issue a timely reasoned decision. That decision shall be Publicly Disclosed as provided in Article 14.14.3 and may be appealed as

provided in Article 14.13. The principles contained at Article 14.14.3.6 shall be applied in cases involving a Minor.

14.10 AUTOMATIC DISQUALIFICATION OF INDIVIDUAL RESULTS

An anti-doping rule violation in *Individual Sports* in connection with an *In-Competition* test automatically leads to *Disqualification* of the result obtained in that *Competition* with all resulting *Consequences*, including forfeiture of any medals, points and prizes.

For *Team Sports*, any awards received by individual players will be *Disqualified*. However, *Disqualification* of the team will be as provided in Article 14.12. In sports which are not *Team Sports* but where awards are given to teams, *Disqualification* or other disciplinary action against the team when one or more team members have committed an anti-doping rule violation shall be as provided in the applicable rules of the *ISF*.

14.11 SANCTION ON INDIVIDUALS

14.11.1 Disqualification of results in the Event during which an anti-doping rule violation occurs

An anti-doping rule violation occurring during or in connection with an *Event* may, upon the decision of the Disciplinary Commission, lead to *Disqualification* of all of the *Athlete's* individual results obtained in that *Event* with all *Consequences*, including forfeiture of all medals, points and prizes, except as provided in Article 14.11.1.1.

Factors to be included in considering whether to Disqualify other results in an *Event* might include, for example, the seriousness of the *Athlete's* anti-doping rule violation and whether the *Athlete* tested negative in the other *Competitions*.

14.11.1.1 If the *Athlete* establishes that s/he bears No Fault or Negligence for the violation, the *Athlete's* individual results in the other *Competition* shall not be *Disqualified* unless the *Athlete's* results in *Competitions* other than the *Competition* in which the anti-doping rule violation occurred were likely to have been affected by the *Athlete's* anti-doping rule violation.

14.11.2 Ineligibility

14.11.2.1 Should an *Athlete* or other *Person* be found to have committed an anti-doping rule violation before s/he has actually participated in a *Competition* at the *Event* or, in the case where an *Athlete* or other *Person* has already participated in a *Competition* at the *Event* but is scheduled to participate in additional *Competitions* at the *Event*, the hearing panel may declare the *Athlete* or other *Person* ineligible for such *Competitions* at the *Event* in which s/he has not yet participated, along with other *Consequences* which may follow, such as exclusion of the *Athlete* and other *Persons* concerned from the *Event* and the loss of accreditation.

14.11.2.2 In accordance with Article 14.8.1.2, responsibility for results management in terms of sanctions beyond the Event shall be referred to the applicable International Sports Federation. In this context, the Consequences for anti-doping rule violations as mentioned and specified under the following Articles of the Code shall apply:

Article 14.11.2 Ineligibility for Presence, Use or Attempted Use or Possession of a Prohibited Substance or Prohibited Method

Article 14.11.3 Ineligibility for Other Anti-Doping Rule Violations

Article 14.11.4 Elimination of the Period of Ineligibility where there is No Fault or Negligence

Article 14.11.5 Reduction of the Period of Ineligibility based on No Significant Fault or Negligence

Article 14.11.6 Elimination, Reduction, or Suspension of Period of Ineligibility or other Consequences for Reasons Other than Fault

Article 14.11.7 Multiple Violations

Article 14.11.11 Commencement of Ineligibility Period

Article 14.11.12 Status during Ineligibility

14.11.3 Disqualification of results in *Competitions* subsequent to *Sample* Collection or Commission of an Anti-Doping Rule Violation

In addition to the automatic *Disqualification* of the results in the *Competition* which produced the positive *Sample* under Article 14.10, all other competitive results of the *Athlete* obtained from the date a positive *Sample* was collected (whether *In-Competition* or *Out-of-Competition*), or other anti-doping rule violation occurred, through the commencement of any *Provisional Suspension* or Ineligibility period, shall, unless fairness requires otherwise, be *Disqualified* with all of the resulting *Consequences* including forfeiture of any medals, points and prizes.

14.11.4 Allocation of CAS cost awards and forfeited prize money

The priority for repayment of CAS cost awards and forfeited prize money shall be: first, payment of costs awarded by CAS; second, reallocation of forfeited prize money to other *Athletes* if provided for in the rules of the applicable *ISF*; and third, reimbursement of the expenses of FISU.

14.11.5 Automatic Publication of Sanction

A mandatory part of each sanction shall include automatic publication, as provided in Article 13.3 of the *Code*.

14.12 CONSEQUENCES TO TEAMS

14.12.1 Testing of *Team Sports*

Where more than one member of a team in a *Team Sport* has been notified of an anti-doping rule violation under Article 14.8 in connection with an *Event*, FISU shall conduct appropriate *Target Testing* of the team during the *Event Period*.

14.12.2 Consequences for *Team Sports*

If more than two members of a team in a *Team Sport* are found to have committed an anti-doping rule violation during an *Event Period*, the FISU hearing panel shall impose an appropriate sanction on the team (e.g., loss of points, Disqualification from a Competition or Event, or other sanction) in addition to any *Consequences* imposed upon the individual *Athletes* committing the anti-doping rule violation.

14.13 APPEALS

14.13.1 Decisions subject to appeal

Decisions made under these Anti-Doping Rules may be appealed as set forth below in Article 14.13.2 through 14.13.6 or as otherwise provided in these Anti-Doping Rules, the *Code* or the *International Standards*. Such decisions shall remain in effect while under appeal unless the appellate body orders otherwise.

14.13.1.1 Scope of Review Not Limited

The scope of review on appeal includes all issues relevant to the matter and is expressly not limited to the issues or scope of review before the initial decision maker.

14.13.1.2 CAS shall not defer to the findings being appealed

In making its decision, CAS need not give deference to the discretion exercised by the body whose decision is being appealed.

14.13.1.3 WADA not required to exhaust internal remedies

Where WADA has a right to appeal under Article 14.13 and no other party has appealed a final decision within the FISU's process, WADA may appeal such decision directly to CAS without having to exhaust other remedies in the FISU's process.

14.13.2 Appeals from decisions regarding anti-doping rule violations, consequences, and *Provisional Suspensions*

A decision that an anti-doping rule violation was committed, a decision imposing *Consequences*, or not imposing *Consequences* for an anti-doping rule violation, or a decision that no anti-doping rule violation was committed; a decision that an anti-doping rule violation proceeding cannot go forward for procedural reasons (including, for example, prescription); a decision by WADA not to grant an exception to the six months' notice requirement for a retired *Athlete* to return to *Competition* under Article 14.5.6.1; a decision

by WADA assigning results management under Article 7.1 of the *Code*; a decision by FISU not to bring forward an *Adverse Analytical Finding* or an *Atypical Finding* as an anti-doping rule violation, or a decision not to go forward with an anti-doping rule violation after an investigation under Article 14.8.5; a decision to impose a *Provisional Suspension* as a result of a *Provisional Hearing*; FISU's failure to comply with Article 14.8.6; a decision that FISU lacks jurisdiction to rule on an alleged anti-doping rule violation or its *Consequences*; and a decision by FISU not to recognise another *Anti-Doping Organisation's* decision under Article 14.15 may be appealed exclusively as provided in this Article 14.13.

14.13.2.1 In cases arising from the *Event*, the decision may be appealed exclusively to CAS.

14.13.2.2 *Persons Entitled to Appeal*

The following parties shall have the right to appeal to CAS: (a) the *Athlete* or other *Person* who is the subject of the decision being appealed; (b) FISU (c) the relevant *International Sports Federation*; (d) the *National Anti-Doping Organisation* or the *NUSF* of the *Person's* country of residence or countries where the *Person* is a national or license holder; (e) the International Olympic Committee or International Paralympic Committee, as applicable, where the decision may have an effect in relation to the Olympic Games or Paralympic Games, including decisions affecting eligibility for the Olympic Games or Paralympic Games; and (f) WADA.

Notwithstanding any other provision herein, the only *Person* who may appeal from a *Provisional Suspension* is the *Athlete* or other *Person* upon whom the *Provisional Suspension* is imposed.

14.13.2.3 Cross appeals and other subsequent appeals allowed

Cross appeals and other subsequent appeals by any respondent named in cases brought to CAS under the *Code* are specifically permitted. Any party with a right to appeal under this Article 14.13 must file a cross appeal or subsequent appeal at the latest with the party's answer.

14.13.3 Failure to render a timely decision

Where, in a particular case, FISU or the Disciplinary Commission fails to render a decision with respect to whether an anti-doping rule violation was committed within a reasonable deadline set by WADA, WADA may elect to appeal directly to CAS as if FISU or the hearing panel had rendered a decision finding no anti-doping rule violation. If the CAS panel determines that an anti-doping rule violation was committed and that WADA acted reasonably in electing to appeal directly to CAS, then WADA's costs and attorney fees in prosecuting the appeal shall be reimbursed to WADA by FISU.

Given the different circumstances of each anti-doping rule violation investigation and results management process, it is not feasible to establish a fixed time period for FISU to render a decision before WADA may intervene by appealing directly to CAS. Before taking such action, however, WADA will consult with FISU and give FISU an opportunity to explain why it has not yet rendered a decision.

14.13.4 Appeals from decisions relating to TUEs

TUE decisions may be appealed exclusively as provided in Article 14.4.3.

14.13.5 Notification of appeal decisions

Any *Anti-Doping Organisation* that is a party to an appeal shall promptly provide the appeal decision to the *Athlete* or other *Person* and to the other *Anti-Doping Organisations* that would have been entitled to appeal under Article 14.13.2.2 as provided under Article 14.14.2.

14.13.6 Time for Filing Appeals

The time to file an appeal to CAS shall be twenty-one (21) days from the date of receipt of the decision by the appealing party. The above notwithstanding, the following shall apply in connection with appeals filed by a party entitled to appeal but which was not a party to the proceedings that led to the decision being appealed:

- a) Within fifteen (15) days from notice of the decision, such party/ies shall have the right to request a copy of the case file from the body that issued the decision.
- b) If such a request is made within the fifteen-day period, then the party making such request shall have twenty-one (21) days from receipt of the file to file an appeal to CAS.

The above notwithstanding, the filing deadline for an appeal filed by WADA shall be the later of:

- a) Twenty-one (21) days after the last day on which any other party in the case could have appealed; or
- b) Twenty-one (21) days after WADA's receipt of the complete file relating to the decision.

14.14 CONFIDENTIALITY AND REPORTING

14.14.1 Information concerning *Adverse Analytical Findings, Atypical Findings, and other asserted Anti-Doping Rule Violations*

14.14.1.1 Notice of Anti-Doping Rule Violations to *Athletes* and other *Persons*

Notice to *Athletes* or other *Persons* of anti-doping rule violations asserted against them shall occur as provided under Articles 14.8 and 14.14 of these Anti-Doping Rules. Notice to an *Athlete* or other *Person* who is a member of a *National Sports Federation* may be accomplished by delivery of the notice to the *National Sports Federation*.

14.14.1.2 Notice of Anti-Doping Rule Violations to the National University Sports Federation, the National Anti-Doping Organisations, the International Sports Federations and WADA

Notice of the assertion of an anti-doping rule violation to the *NUSF, National Anti-Doping Organisations, International Sports Federations* and *WADA* shall occur as provided under

Articles 14.8 and 14.14 of these Anti-Doping Rules, simultaneously with the notice to the *Athlete* or other *Person*.

14.14.1.3 Content of an Anti-Doping Rule Violation Notice

Notification of an anti-doping rule violation under Article 14.2.1 shall include: the *Athlete's* name, country, sport and discipline within the sport, the *Athlete's* competitive level, whether the test was *In-Competition* or *Out-of-Competition*, the date of *Sample* collection, the analytical result reported by the laboratory, and other information as required by the International Standard for Testing and Investigations.

Notice of anti-doping rule violations other than under Article 14.2.1 shall include the rule violated and the basis of the asserted violation.

14.14.1.4 Status Reports

Except with respect to investigations which have not resulted in notice of an anti-doping rule violation pursuant to Article 14.14.1.1, *National University Sports Federations*, *National Anti-Doping Organisations*, *International Sports Federations* and *WADA* shall be regularly updated on the status and findings of any review or proceedings conducted pursuant to Article 14.8, 14.9 or 14.13 and shall be provided with a prompt written reasoned explanation or decision explaining the resolution of the matter.

14.14.1.5 Confidentiality

The recipient organisations shall not disclose this information beyond those Persons with a need to know (which would include the appropriate personnel at the applicable National Olympic Committee, *National Sports Federation*, and team in a *Team Sport*) until FISU has made *Public Disclosure* or has failed to make *Public Disclosure* as required in Article 14.14.3.

14.14.2 Notice of Anti-Doping Rule Violation decisions and request for files

14.14.2.1 Anti-doping rule violation decisions rendered pursuant to Article 7.8, 8.2.4, 10.4 of the Code, 10.5 of the Code, 10.6 of the Code, 10.12.3 of the Code or 12.5 shall include the full reasons for the decision, including, if applicable, a justification for why the greatest possible Consequences were not imposed. Where the decision is not in English or French, FISU shall provide a short English or French summary of the decision and the supporting reasons.

14.14.2.2 An Anti-Doping Organisation having a right to appeal a decision received pursuant to Article 14.14.2.1 may, within fifteen days of receipt, request a copy of the full case file pertaining to the decision.

14.14.3 Public Disclosure

14.14.3.1 The identity of any Athlete or other Person who is asserted by FISU to have committed an anti-doping rule violation, may be Publicly Disclosed by FISU only after notice has been provided to the Athlete or other Person in accordance with Article 14.8 and simultaneously to WADA and the National Anti-Doping

Organisation, the National University Sports Federation and International Sports Federation of the Athlete or other Person in accordance with Article 14.14.1.2.

- 14.14.3.2 No later than twenty (20) days after it has been determined in a final appellate decision under Article 14.13.2.1, or such appeal has been waived, or a hearing in accordance with Article 14.9 has been waived, or the assertion of an anti-doping rule violation has not been timely challenged, FISU must Publicly Report the disposition of the matter, including the sport, the anti-doping rule violated, the name of the Athlete or other Person committing the violation, the Prohibited Substance or Prohibited Method involved (if any) and the Consequences imposed. FISU must also Publicly Report within twenty (20) days the results of final appeal decisions concerning anti-doping rule violations, including the information described above.
- 14.14.3.3 In any case where it is determined, after a hearing or appeal, that the Athlete or other Person did not commit an anti-doping rule violation, the decision may be Publicly Disclosed only with the consent of the Athlete or other Person who is the subject of the decision. FISU shall use reasonable efforts to obtain such consent. If consent is obtained, FISU shall Publicly Disclose the decision in its entirety or in such redacted form as the Athlete or other Person may approve.
- 14.14.3.4 Publication shall be accomplished at a minimum by placing the required information on FISU's website or publishing it through other means and leaving the information up for the longer of one month or the duration of any period of Ineligibility.
- 14.14.3.5 Neither FISU, nor any of its officials, shall publicly comment on the specific facts of any pending case (as opposed to general description of process and science) except in response to public comments attributed to the Athlete or other Person against whom an anti-doping rule violation is asserted, or their representatives.
- 14.14.3.6 The mandatory Public Reporting required in Article 14.14.3.2 shall not be required where the Athlete or other Person who has been found to have committed an anti-doping rule violation is a Minor. Any optional Public Reporting in a case involving a Minor shall be proportionate to the facts and circumstances of the case.

14.14.4 Statistical Reporting

FISU shall after each *Event* under its jurisdiction, publish a general statistical report of its *Doping Control* activities, with a copy provided to WADA. FISU may also publish reports showing the name of each *Athlete* tested and the date of each *Testing*.

14.14.5 Doping Control Information Clearinghouse

To facilitate coordinated test distribution planning and to avoid unnecessary duplication in *Testing* by the various Anti-Doping Organisations, FISU shall report all *In-Competition* and *Out-of-Competition* tests on such *Athletes* to the WADA clearinghouse as soon as possible after such tests have been conducted. This information will be made accessible, where appropriate and in accordance with the applicable rules, to the *Athlete*, the *Athlete's*

National Anti-Doping Organisation or International Sports Federation, and any other Anti-Doping Organisations with Testing authority over the Athlete.

14.14.6 Data Privacy

14.14.6.1 FISU may collect, store, process or disclose personal information relating to Athletes and other Persons where necessary and appropriate to conduct their anti-doping activities under the Code, the International Standards (including specifically the International Standard for the Protection of Privacy and Personal Information) and these Anti-Doping Rules.

14.14.6.2 Any Participant who submits information including personal data to any Person in accordance with these Anti-Doping Rules shall be deemed to have agreed, pursuant to applicable data protection laws and otherwise, that such information may be collected, processed, disclosed and used by such Person for the purposes of the implementation of these Anti-Doping Rules, in accordance with the International Standard for the Protection of Privacy and Personal Information and otherwise as required to implement these Anti-Doping Rules.

14.15 APPLICATION AND RECOGNITION OF DECISIONS

14.15.1 Subject to the right to appeal provided in Article 12 of the Code, Testing, hearing results or other final adjudications of any *Signatory* which are consistent with the *Code* and are within the *Signatory's* authority, shall be applicable worldwide and shall be recognised and respected by FISU.

14.15.2 FISU may recognise the measures taken by other bodies which have not accepted the *Code* if the rules of those bodies are otherwise consistent with the *Code*.

Where the decision of a body that has not accepted the *Code* is in some respects *Code* compliant and in other respects not *Code* compliant, FISU should attempt to apply the decision in harmony with the principles of the *Code*. For example, if in a process consistent with the *Code* a non-*Signatory* has found an *Athlete* to have committed an anti-doping rule violation on account of the presence of a *Prohibited Substance* in his body but the period of *Ineligibility* applied is shorter than the period provided for in the *Code*, then FISU should recognise the finding of an anti-doping rule violation and they should conduct a hearing consistent with Article 14.9 to determine whether the longer period of *Ineligibility* provided in the *Code* should be imposed.

14.16 STATUTES OF LIMITATIONS

No anti-doping rule violation proceeding may be commenced against an *Athlete* or other *Person* unless he or she has been notified of the anti-doping rule violation as provided in Article 14.8, or notification has been reasonably attempted, within ten years from the date the violation is asserted to have occurred.

14.17 FISU COMPLIANCE REPORTS TO WADA

FISU will report to WADA on FISU's compliance with the *Code* in accordance with Article 23.5.2 of the *Code*.

14.18 EDUCATION

FISU shall plan, implement, evaluate and monitor information, education and prevention programs for doping-free sport on at least the issues listed at Article 18.2 of the *Code*, and shall support active participation by *Athletes* and *Athlete Support Personnel* in such programmes.

14.19 AMENDMENT AND INTERPRETATION OF ANTI-DOPING RULES

14.19.1 These Anti-Doping Rules may be amended by the FISU Executive Committee when necessary.

14.19.2 These Anti-Doping Rules shall be interpreted as an independent and autonomous text and not by reference to existing law or statutes.

14.19.3 The headings used for the various parts and Articles of these Anti-Doping Rules are for convenience only and shall not be deemed part of the substance of these Anti-Doping Rules or to affect in any way the language of the provisions to which they refer.

14.19.4 The Code and the International Standards shall be considered an integral part of these Anti-Doping Rules and shall prevail in case of conflict.

14.19.5 These Anti-Doping Rules have been adopted pursuant to the applicable provisions of the Code and shall be interpreted in a manner that is consistent with applicable provisions of the Code. The generalities shall be considered as part of these Anti- Anti-Doping Rules.

14.19.6 The comments annotating various provisions of the Code are incorporated by reference into these Anti-Doping Rules, shall be treated as if set out in full herein, and shall be used to interpret these Anti-Doping Rules.

14.20 INTERPRETATION OF THE CODE

14.20.1 The official text of the Code shall be maintained by WADA and shall be published in English and French. In the event of any conflict between the English and French versions, the English version shall prevail.

14.20.2 The comments annotating various provisions of the Code shall be used to interpret the Code.

14.20.3 The Code shall be interpreted as an independent and autonomous text and not by reference to the existing law or statutes of the Signatories or governments.

- 14.20.4 The headings used for the various Parts and Articles of the Code are for convenience only and shall not be deemed part of the substance of the Code or to affect in any way the language of the provisions to which they refer.
- 14.20.5 The Code shall not apply retroactively to matters pending before the date the Code is accepted by a Signatory and implemented in its rules. However, pre-Code anti-doping rule violations would continue to count as "First violations" or "Second violations" for purposes of determining sanctions under Article 10 for subsequent post-Code violations.
- 14.20.6 The Purpose, Scope and Organisation of the World Anti-Doping Programme and the Code and Appendix 1, Definitions, and Appendix 2, Examples of the Application of Article 10, shall be considered integral parts of the Code.

14.21 ADDITIONAL ROLES AND RESPONSIBILITIES OF *ATHLETES* AND OTHER *PERSONS*

14.21.1 Roles and Responsibilities of Athletes

- 14.21.1.1 To be knowledgeable of and comply with these Anti-Doping Rules.
- 14.21.1.2 To be available for Sample collection at all times.
